President’s Message

We have come to the end of NSCA’s 2015-16 term and my second term as NSCA President. We accomplished a lot this year, and all of our accomplishments could not have been fulfilled without the dedication of the entire NSCA Board and other volunteers. Thank you for putting your trust in me & the Board. We look forward to continuing our service to the North Springfield community next term.

Our work this term can mainly be broken down into four categories:

**Community:** Reinvigorated our Neighborhood Watch with greater structure; reinstituted a Senior Citizens Committee & coordinated snow shoveling for our seniors during the winter; arranged for a tour of the Washington Post Springfield Plant; hosted a Reflections of Original Residents event and a Shop Local Expo; secured funding to revive and expand a community service youth awards program; hosted a bike rodeo & safety workshop; collaborated with Congressman Gerry Connolly's office to address postal delivery issues (ongoing); continued and enhanced (when possible) NSCA's signature events like Community Day at the Pool & National Night Out, Grand Illumination, Holiday Toy Drive, and Clean Up Day.

**Infrastructure:** Successfully worked with VDOT to have all streets with lane and crosswalk markings restriped, get all North Springfield streets on VDOT’s repaving schedule, repair deteriorating columns underneath the 495 underpass, fix broken sewer inlets and sidewalks, and clean up MS-13 tagging in the neighborhood; used grant funds to install a plant watering station on Leesville and to design new entrance signs to the community; facilitated an Ad-Hoc Traffic Calming Committee that worked with Fairfax County on the development of a traffic calming plan (currently in the ballot phase).

**Financial:** Initiated a capital campaign for our 60th anniversary, which was dubbed the 6-for-60 Campaign and raised more than $2,700 in incremental donations; conducted NSCA’s first financial audit since 2002.

**NSCA Branding & Legacy:** Redesigned the NSCA logo for the first time since at least 1962; redesigned the NSCA newsletter; received recognition for our 60th anniversary by the Virginia General Assembly & Fairfax County Board of Supervisors; made plans to bury a time capsule to preserve our history for future generations.

Very Respectfully,

Ken Balbuena
Civic Association President
WHO DO I CONTACT IF…?

1. I smell natural gas (inside or outside of the house)?
   • Call Washington Gas at (703) 750-1400 or (800) 752-7520 immediately.

2. A street sign has fallen or isn’t facing the right direction?
   • Street sign only: Call Fairfax County at (703) 877-2800 or fill out a form online at
     https://www.fairfaxcounty.gov/dpwes/utilities/streetsignform.htm
   • All other signs (e.g. stop signs, dead end signs, speed limit signs, etc.):
     • Call VDOT at 1-800-FOR-ROAD or fill out a form at https://my.vdot.virginia.gov/

3. I want to call the police for a non-emergency?
   • Call Fairfax County Police’s non-emergency number at (703) 691-2131.

4. A street light is out or the power is out?
   • Call Dominion Power at 1-866-DOM-HELP or fill out the form(s) https://www.dom.com/residential/dominion-virginia-power/outage-center/streetlight-outages/outdoor-lighting-concern (Street lights) and https://www.dom.com/residential/dominion-virginia-power/outage-center/report-and-check-outages (Power outages)

5. I see an animal (wild or domestic) roaming around?
   • Call Fairfax County Animal Control via the Police’s non-emergency: (703) 691-2131.

6. I want to report a code violation to the County [after I have spoken to the
   • See question #6 above (Property Maintenance section of the online form).

7. I suspect there is a boarding house in the community?
   • Call Fairfax County Animal Control via the Police’s non-emergency: (703) 691-2131.

8. There is a bad pothole in the road or if there is an issue with the sidewalk?
   • Call VDOT at 1-800-FOR-ROAD or fill out a form at https://my.vdot.virginia.gov/

9. A sewer cover is missing or cracked?
   • Call VDOT at 1-800-FOR-ROAD or fill out a form at https://my.vdot.virginia.gov/

10. A tree has fallen in my yard?
    • Homeowners are responsible for the removal of fallen trees and their debris, including trees fallen from land owned by the Fairfax County Park Authority (FCPA).
    • Call FCPA at (703) 324-8594 if a tree on their land is hanging over your property, hasn’t yet fallen, but poses a danger to the property.
    • Call VDOT at 1-800-FOR-ROAD for fallen trees and debris in public roadways.

11. I want to check when my street will be snowplowed?
    • Visit VDOT’s online status tracking to see current snow plow activity: http://novasnowplowing.virginia.gov/.
    • Refer to how VDOT prioritizes subdivision clean up and view other relevant

12. Ask for a special trash pickup collection (for bulk items)?
    • Republic Services (formerly AAA Trash): Call (703) 818-8222 or fill out a form online at
      http://www.republicservices.com/residents/bulk-waste (Service fees apply).
    • American Disposal Services: Call (866) 884-8700 or fill out a form online at https://www.americandisposal.com/customer-support/request-a-pickup (Service fees apply).
    • Bates Truck Trash Removal: Call 301-773-2069.
    • NSCA also coordinates an annual bulk collection day called Clean Up Day each May or June. This year’s date is June 11.
APRIL NEWSLETTER – WHOOPS!

Still looking for your April newsletter? Chances are, many of you won’t find it in a paper copy. Because of a miscommunication between us and our printer, there was no way that we would have been able to get the April newsletter printed in time for our April general membership meeting. As such, we opted to offer it in an online format with less than 50 hard copies printed for households without email access. Some of the content from last month’s newsletter is repeated in this month’s edition. We apologize for any inconvenience this may have caused you. Did you know that you can access past newsletters dating back to 2004 on our website? You can find them here: http://nscivic.org/newsletters/newsletters.htm.

We are also slowly working on digitizing the newsletters from our archives (the oldest one dating back to March 1959). We are missing several from the 1990-May 2004 time period. If in the off chance you have any old newsletters from this time stored in your attic, garage, closet, or elsewhere, we would love to borrow and return them once we have scanned them. An announcement will be made when the full archives are complete. Please contact us if you would like to help with the effort. We have been fortunate to have had two of our high school students assist with this effort to help satisfy their school’s community service requirements.

SUMMER eNEWSLETTER

Since our May 4 meeting is our last meeting until October 5, we may try putting out a summer newsletter to provide some updates during NSCA’s 5-month recess from meetings. It will only be offered online (but every effort will be made to provide hard copies only to households without an email account). Be on the lookout via our website www.nscivic.org/ and Facebook page www.facebook.com/groups/NorthSpringfieldVA/ in late July/early August.

MAY 4: PARTY LIKE IT’S 1955

Our May 4 general membership meeting will be a community social with refreshments. We will have minimal business items including approval of minutes, NSCA officer elections and recognition by the Virginia General Assembly. Hopefully, you will be able to attend, grab some food, and meet other residents from across the neighborhood. But wait… there’s more! We will also have raffle prizes that are a little higher end than usual (wine tasting, concert tickets, and a Potomac cruise voucher). After all, it is our 60th anniversary. Bring a friend, and see you on May 4 at 7:30pm!

COMMUNITY SERVICE YOUTH AWARDS PROGRAM

NSCA is pleased to announce the launch of the NSCA Community Service Youth Awards. They will recognize elementary (grades K-5), middle (grades 6-8), & high school (grades 9-12) youth (one per level) who demonstrate community service & civic engagement, particularly in the North Springfield community. The award recipients will receive a certificate of recognition and a cash prize of $100 for the elementary category, $200 for middle, and $300 for high school. NSCA hopes this will encourage young residents to become more involved in and see the value of volunteerism inside and outside of their neighborhood.

NSCA is putting the finishing touches on the details, and all the pertinent information will be made available via the NSCA website and Facebook page as soon as possible. The format will be an essay or video blog and a letter of recommendation from a non-related adult. These awards are open to all public, private, and home school students living in the NSCA service area. The deadline for submissions this year is May 31, and they will be judged by NSCA Board-appointed leaders from the outside the North Springfield community to ensure impartiality. Judges will be actively engaged in community service themselves. Awards will presented at the National Night Out event on August 2. Although a tight window for this year, we will offer greater lead time next year.

This is a revived and expanded version of an award NSCA administered from 1975-1985. It is being offered as part of our 60th anniversary celebrations and is made possible through a generous sponsorship by Eagle Bank (www.eaglebankcorp.com); we are grateful for their support. Please be sure to monitor our website (www.nscivic.org/), subscribe to our email list (via the website), and/or “Like” us on Facebook (www.facebook.com/groups/NorthSpringfieldVA/) to see all of the details when they are available.
TIME CAPSULE

Next month, NSCA’s year-long 60th anniversary celebrations will be coming to an end, and what better way to culminate things than by burying a time capsule? Details are still being planned as to the location, contents, and open date, but the time capsule will be buried on Saturday, May 21 at 2 pm. All residents are welcome to attend. Funding for the time capsule were made possible through donations to NSCA’s 60th anniversary fund by Todd & Nancy Kaegi (in honor of Maureen McGarey) and Frances Kurtz (in honor of Frederick Kurtz). Please contact NSCA President, Ken Balbuena at 703.851.8505 or kenbalbuena@gmail.com.

COMMUNITY DAY IS ON THE WAY

NSCA’s Community Day Celebration will be held again this year in conjunction with the North Springfield Pool Club opening on May 28 from 11 am – 3 pm. Everyone is invited to enjoy the pool and other activities; entry is free for all residents. It’s our last official event celebrating our 60th anniversary so from noon to 3 pm the DC 4 Band will perform many of your favorite classic rock songs from the 1960s through 1990s; check them out at www.dc4band.com. We’ll also serve free hot dogs, lemonade and chips. We look forward to seeing everyone.

READING CHECK (ROUND 2)

Some of you may have seen this in last month’s electronic-only newsletter. Your NSCA Board likes to believe that everyone reads the newsletter that is hand-delivered to each household in the North Springfield Community. This article is simply a check to see who actually does. If you are reading this, please email or call Ken Balbuena (kenbalbuena@gmail.com or 703-851-8505) and let him know what street you live on. All residents who respond will be entered into a raffle to be drawn at the May NSCA meeting (need not be present to win). If you sent a response last month, you can get a bonus second entry if you once again reply.

NOMINATING COMMITTEE

The Nominating Committee has met and is identifying qualified candidates for officer positions (President, Vice President, Secretary, and Treasurer). The full slate of candidates and their bios will be posted on our website and disseminated via our e-mail list as well as Facebook once they have been identified. This will be done in advance of the one-week public notice of the May meeting dictated by the NSCA bylaws.

NEW!

We are now offering a Preschool Summer Program with classes open to the community. Classes and held Monday-Friday during select weeks with your choice of 9am - 1pm or 9am - 3pm. Registration is ongoing until classes are filled.

SWIM CLUB NEWS

May marks the grand re-opening of our brand new bathhouse at North Springfield Swim Club (NSSC), located at the intersection of Leesville Rd. and Earlehurst St. We are all proud and excited that our 60 year old structure (one of the original in Northern Virginia) has gotten a “face lift”. There is still time to help make the pool look fantastic. Join us for the last few clean-up days: May 7, May 14, May 15, May 21 and 22 (hours posted at www.ns-sc.org). Membership fees are due May 15. You will want to put Saturday, May 28 on your calendars. Festivities begin at 10:30 am with an opening and ribbon cutting ceremony. At 11 am, there will be the “Big Splash” when kids (of all ages!) are signaled by the blowing of the first whistle of the season to jump in the pool. From 11 am - 3 pm, neighbors are invited to our “Community Open House”. You do not have to be a member to enjoy the live band (sponsored by the NSCA), hot dogs, face painting, crafts and of course swimming. Questions? Check out our website or email or call Dana at danacibulski@cox.net or (703)642-0375. See you this summer!

DOES YOUR ROAD NEED PAVING?

Tired of the poor condition of the North Springfield roads? Well we previously announced that two streets were getting repaved. Then we announced in the last newsletter an additional nine streets had been added. At the last NSCA meeting, we announced that the number has ballooned to every street in North Springfield. Yes, you read that correctly. EVERY street, including Woodland Dr & Larrlyn Dr (but not Granberry Way and Woodland Estates Way, which are technically private roads according to VDOT). While we were only given a very broad timeline of “sometime before the end of the year (weather permitting),” at the time of this printing, paving is under way on Woodland Dr. and Larrlyn Dr. and there are marquee signs on Heming Ave. near Braddock Rd. and Leesville Blvd. near Backlick Rd. that say milling & paving began around April 18th. Many thanks to former NSCA board member Maryann Germaine, Delegate Vivian Watts, & Deb Sherman of Delegate Watts’ office for working with VDOT to make this reality.

North Springfield Swim Club
“Home of the Dolphins”

www.ns-sc.org
Built 1957 – Rebuilt 2016

Opening day is Saturday May 28
“Community Open House” 11am - 3pm
Free for all neighbors!

Come join us this summer for the grand re-opening of our renovated bathhouse.

Amenities: Swim and Dive Teams; Tennis Courts and Tennis Lessons; Swim Lessons; Lap Swimming;
Dolphin Snack Shack; Sand Volleyball Court; Ping Pong; Gated Baby Pool; Playground;
Pool Parties for all Ages; Horseshoe Pit; Food Truck Fridays; and more!

For membership information contact Alicia Ward at 703-333-5084 or amward98@verizon.net
For general questions contact Dana Cibulski at 703-642-0375 or danacibulski@cox.net
PTA SWAP MEET & NSCA YARD SALE DAY

The North Springfield Elementary School (NSES) PTA will host a Vendor Fair and Flea Market on Saturday, May 14 from 8 am – noon in the NSES parking lot. Residents and outside businesses are invited to sell business products, wares, and yard sale items for a $25 space fee. Space is limited to 30 spots, and the initial registration deadline (including payment) is April 30. Please make checks payable to NSES PTA. Items for sale must be legal and child appropriate. The PTA reserves the right to book first paid and not double book multiple vendors (same company). Please contact Heidi Miller at heidi0904@hotmail.com or (703) 774-8269 for a registration form and with questions. (NOTE: NSCA will not be coordinating an annual yard sale day this year because of this event. Those who wish to hold a yard sale are encouraged to support this PTA fundraiser.)

CLEAN UP DAY VOLUNTEERS

Fairfax County will provide refuge trucks in the NS Elementary School main parking lot between 8 and 11:30 a.m. on June 11. Please pay strict attention to those times. This is a great opportunity to get rid of old appliances, sheds, tires, lawn mowers, lumber and other junk. This service is free. The County will not accept explosive materials, business construction materials, paint or any dangerous items. For more information about hazardous waste disposal, listen to a recording at (703) 324-5068 or check www.fairfaxcounty.gov.

We need volunteers. Some of our residents have items that are large so we ask for volunteers with trucks who are willing to pick up from homes and bring the items to the school. Also we need help handing out membership forms and collecting dues since many residents pay their $15 dues on clean up day. You don’t have to work the whole time. Even an hour or two will be appreciated. Please contact Tricia Barnes at tbarnesva@cox.net or (703) 354-0134.

NO DIRT BIKES ALLOWED

Residents have reported seeing people riding dirt bikes in the neighborhood. Two laws pertain to motor-driven cycles, which include among others dirt bikes and mopeds. First, Virginia Code§ 46.2-911.1 states, “No person shall operate a motor-driven cycle on or over any public highway in the Commonwealth.” Second, Virginia Code permits individual municipalities the ability to create legislation that further restricts the use of motor-driven cycles. As such, Fairfax County Code §82-4-30 states:

(a) It shall be unlawful in Fairfax County for any person to ride, drive or operate any validly licensed and registered motorcycle on the sidewalks of this County, on any County property or other publicly owned property except for motorcycles owned by the Police Department and used by policemen in furtherance of their duties; provided, that any person may operate such a motorcycle on public driveways and highways unless otherwise prohibited by law.

(b) It shall be unlawful in Fairfax County for any person to operate any motorcycle which does not comply with the State and County registration and licensing requirements on the public highways, on the sidewalks of the County, or on the driveways or premises of the County or other publicly-owned property open to the public including but not limited to a school, recreational facility and/or business property.

North Springfield Elementary School PTA Fundraiser

Do you shop at Giant?

If so, you can help NSES PTA fund school activities by purchasing Giant Grocery Cards.

Use the cards like cash at Giant. The school gets 4% from Giant for every dollar purchased.

Buy $20, $50, or $100 cards. They never expire!

Contact Lisa Pritt at LisaPritt@verizon.net to purchase the cards. We will deliver them to your door.
DO YOUR PART FROM THE START! — PREVENT AND PROTECT AGAINST MOSQUITOES

Mosquito season is here. Prevent mosquitoes around your home and protect yourself from bites by taking the following steps:

Control mosquitoes in your yard:

• Eliminate standing water. Check your yard weekly for containers that are holding water.
• Treat standing water with a larvicide* if it cannot be eliminated.
• If mosquitoes are biting you may want to spray your yard with an insecticide*, particularly the places where mosquitoes like to hide, such as bushy green plants, ivy, other ground-covering plants and bamboo. (Insecticides are available at your hardware or home and garden stores.)
• Organize a neighborhood clean-up.

Protect yourself and your family from mosquito bites:

• Wear insect repellent* containing DEET, picaridin, oil of lemon eucalyptus or IR 3535.
• Wear loose-fitting, light-colored long-sleeved shirts and pants.
• Keep doors and windows closed and make sure screens are in good repair.

* Use EPA-registered insecticides, larvicides and repellents. Follow label instructions.

Watch for the symptoms of mosquito-borne diseases such as Zika and West Nile virus. Zika symptoms include fever, rash, joint pain, muscle pain, headache and conjunctivitis (red eyes). West Nile virus symptoms range from mild (fever, headache, body aches or a skin rash on the upper body) to serious (high fever, headache, neck stiffness, stupor, disorientation, tremors, convulsions, weakness, paralysis or coma). If you think you have a mosquito-borne disease, consult your physician.

For more information, visit http://www.fairfaxcounty.gov/fightthebite, call (703) 246-8931 or email to fightthebite@fairfaxcounty.gov

Mosquitoes that carry viruses like West Nile and Zika can breed in containers.

TIP & TOSS

Remove mosquito breeding sites by clearing your yard of standing water.

NSCA PAST PRESIDENTS DINNER

As part of the NSCA's 60th anniversary celebration, six current and former NSCA presidents (and two spouses) enjoyed a nice Past Presidents Dinner at Foxfire Grill at the corner of Braddock Rd. and Little River Tpk. Attendees were Al & Betty Royer (1974-76), Norma Heck (1989-92, 99-02, 03-07, 09-14), Ron Kinzer (1995-99), Dorene Haney (2002-03), Scott & Michelle Pratt (2007-09), and Ken Balbuena (2014-present). Other past presidents/spouses who wished to attend but were unable to because of health reasons and/or schedule conflicts were Fu-Ho Chan (1962-63), Mina Eggerton (spouse of Al Eggerton 1966-67), Bea Clark (spouse of Don Clark 1978-79), Val McWorter (1979-81), Kurt Kroeger (1983-85), Tricia Barnes (1986-89), and Bill Houston (1993-95). It was a great evening that, of course, included conversation about some of the past challenges NSCA has overcome and some of the 'unique' requests NSCA presidents have received over the years.

The North Springfield community has been a well-kept neighborhood for over 60 years because of the pride its residents have taken in making it an ideal place to live. Yards have been maintained, and properties have largely been kept free of clutter. When the community was originally founded in 1955, covenants were put in place to protect the “value and desirability” of the homes in the neighborhood. The covenants reflect Fairfax County zoning laws at the time they were written. Since these covenants are frequently no longer conveyed during home sales as they were originally intended to be, NSCA is establishing a list of recommended neighborhood standards that we are asking residents to live by.

1. GRASS: Fairfax County Code §119-3-1 restricts grass or lawns from exceeding a height of 12-inches. It is recommended that grass be cut frequently, so lawns do not look unsightly, particularly during the months of March-November.

2. LANDSCAPING/GREENERY: Residents are encouraged to keep bushes and other greenery trimmed to a reasonable height. This is especially important with regard to invasive plants such as ivy along property lines. Residents are also asked to periodically drain standing water in things such as bird baths, wading pools, and clogged gutters since they are breeding grounds for mosquitoes.

3. VEHICULAR PARKING: Fairfax County Zoning Ordinance 11-100 does not permit grass parking in the front yards of homes, and driveways on lots the size of those in North Springfield may not exceed more than 30% of the front yard. Parking must be done in surfaced areas such as driveways and or the street. Additionally, Virginia Code 46.2-889 requires that vehicles must be parked facing the direction of the travel lane. Inoperable motor vehicles may not be kept uncovered outdoors, per Fairfax County Code §110.

4. OUTDOOR STORAGE: Fairfax County Zoning Ordinance 10-100 does not permit outdoor storage of items (junk, debris, or otherwise) in the front yard, including under carports. Storage must be done in accessory structures (i.e. sheds) located “on the rear half of the law, screened from the view from the first story window of any neighboring dwelling, and the total area for such outdoor storage [must] not occupy more than 100 square feet.” Curbside trash must also be disposed of within a week, per Fairfax County Code §109.1-3-1. This may require a special collection arrangement through your private trash collector.

5. FENCES: Fairfax County Zoning Ordinance 10-100 restricts fence height to no taller than seven (7) feet from the highest point on the side and rear of the yard with the exception of corner lots, which are restricted to a height of four (4) feet.

6. BUILDING PERMITS: The Fairfax County Department of Public Works and Environmental Services provides a list online of when permits are needed for construction projects. They should be consulted before any additions or work to your home is done in order to avoid costly penalties on top of construction costs.

7. DAMAGED AND BLIGHTED PROPERTY: Part III of the Virginia Uniform Statewide Building Code requires that the interiors and exteriors of homes be maintained. Damaged homes that include broken windows, fallen gutters, missing siding, and significant damage to the inside can be reported to the Fairfax County of Code Compliance. Similarly, blighted properties (i.e. properties in a dilapidated condition or no longer regularly maintained) should also be reported.

8. OCCUPANCY: Fairfax County Zoning Ordinance 2-500 regulates the number of occupants in a home. Suspected boarding houses should be reported to the Department of Code Compliance. Generally speaking, the following is permitted:

   Option 1: A married or blood-related family with any number of children provided there are no more than two occupants per room.

   Option 2: Two (2) single parents or guardians with not more than a total of six (6) of their dependent children provided there are no more than two occupants per room.

   Option 3: A group of not more than four (4) persons not necessarily related by blood or marriage.

   Option 4: An elderly and/or disabled resident, a live-in caretaker (one or both of whom own the dwelling unit) plus one (1) family

9. ANIMALS: Fairfax County Code §41 and Fairfax County Zoning Ordinance 2-512 regulate the kinds of animals residents may own. Residents are encouraged to stay within the parameters of these governing documents. Wild animals should not be fed.

10. NOISE: Fairfax County Code §108 regulates the level of noise residents can make and the hours when noise-producing activities (i.e. cutting grass, loud music, etc.) can be done. Depending on the activity, quiet times are required to be between 9 or 10pm and 6 or 7am.

11. HOME-BASED BUSINESSES: North Springfield is first and foremost a residential area. Fairfax County Zoning Ordinance 10-300 details acceptable home-based businesses and includes regulations such as a prohibition on customer traffic and only one commercial vehicle. Fairfax County Code §82-5.7 prohibits commercial vehicles from street parking with the exception of one (1) taxi or limousine.

12. SNOW: While Fairfax County does not require residents to shovel snow from their driveways and sidewalks, residents are encouraged to do so. Several children walk to school, so slipping on ice is a safety issue. Neighbors are asked to assist senior citizen and/or disabled residents who may not be able to shovel by themselves. NSCA produces a Teen Jobs List of area teenagers who can help with or charge a small fee for shoveling services. Residents are also asked to clear the area around fire hydrants.

GRAPHICS PROFESSIONAL
Available part- or full-time beginning July 2016

With an education in Fine Arts and a career in Computer Graphic Design, I can be a resourceful and flexible member of your team. I have been the Senior Graphic Designer for a major corporation, a Publications Manager, and Senior Graphic Designer for NASA's Technology Commercialization Office. I have more than 15 years of experience assisting NASA, DoD, and DHS administrators, educators, scientists, and engineers in communicating their concepts. I can do it all—from proposal graphics that get noticed—to annual reports—to museum and traveling exhibits. Expert in the Adobe Suite: Windows & Mac. I currently hold a Secret Clearance and have DHS suitability.
