President’s Message

The presidential debates are behind us. The election soon will be too. This election cycle has been very unconventional for sure and while we can’t control how the race has been run, we can control the shape of the neighborhood. NSCA is always looking for new volunteers to serve on various committees or to lead specific projects. There are also short-term, one-off opportunities like delivering the newsletter. We have posted about the following positions in the past, and there is an article later in this newsletter that goes into greater detail about each of the following:

• Two NSCA Board positions open
  • Delegate to the Fairfax Federation of Citizens Associations
  • PTA Liaison.
• Project Manager to lead the cleanup of Flag Run Park
• Newsletter graphic designer

Please contact me, kenbalbuena@gmail.com, if you are interested in volunteering for any of these positions. We are also interested in hearing from you if you have an idea for a new position for the NSCA Board to consider. Over the last two or so years, we have sought to enhance how NSCA best serves the community by adding a Minority Outreach Committee, reactivating a Senior Citizens Committee that had been dormant for about 25 years (and will be featured at our November meeting), and starting a Welcome Wagon aspect of our Membership Committee. And, there is more that can be done. Send us your ideas, and let’s keep uniting North Springfield.

Very Respectfully,

Ken Balbuena
Civic Association President

The bag included with your newsletter is to support Boy Scout Troop 990’s annual food drive benefitting the Annandale Christian Community for Action (ACCA) food bank. The collection will be on Saturday, November 12th between 9 and 11am. Please place your nonperishable contribution where it is visible from the street (no glass containers please). The need continues to grow, and our community has always been very generous. Questions? Please Contact Skip Chaples at (703) 644-1311 or skipchaplescox.net. NSCA has sponsored Troop 990 since 1972.

WHO DO I CONTACT IF…?
1. I smell natural gas [inside or outside of the house]?  
   • Call Washington Gas at (703) 750-1400 or (800) 752-7520 immediately.
2. A street sign has fallen or isn’t facing the right direction?  
   • Street sign only: Call Fairfax County at (703) 877-2800 or fill out a form online at  
     https://www.fairfaxcounty.gov/dpwes/utilities/streetsignform.htm  
   • All other signs [e.g. stop signs, dead end signs, speed limit signs, etc.]:  
     Call VDOT at 1-800-FOR-ROAD/fill out a form at https://my.vdot.virginia.gov
3. I want to call the police for a non-emergency?  
   • Call Fairfax County Police’s non-emergency number at (703) 691-2131.
4. A street light is out or the power is out?  
   • Call Dominion Power at 1-866-DOM-HELP or fill out the form(s) https://www.
     dom.com/residential/dominion-virginia-power/outage-center/streetlight-outages/
     outdoor-lighting-concern [Street lights] and https://www.dom.com/residential/
     dominion-virginia-power/outage-center/report-and-check-outages [Power  
     outages]
5. I see an animal [wild or domestic] roaming around?  
   • Call Fairfax Animal Control at (703) 691-2131.
6. I want to report a code violation to the County [after I have spoken to the resident] [e.g. high grass, junk in a neighbor’s yard]?  
   • Call the Fairfax County Department of Code Compliance at (703) 324-1300 or fill  
     out a form at http://www.fairfaxcounty.gov/code.
7. I suspect there is a boarding house in the community?  
   • See question #6 above [Property Maintenance section of the online form].
8. There is a bad pothole in the road or if there is an issue with the sidewalk?  
   • Call VDOT at 1-800-FOR-ROAD/fill out a form at https://my.vdot.virginia.gov
9. A sewer cover is missing or cracked?  
   • If in the middle of the road or labeled with Fairfax County markings, call Fairfax  
     County’s Department of Public Works and Environmental Services [Wastewater  
     Collection Division] at (703) 323-1211.
   • For all other manhole covers and sewer inlets, see question #2 above (VDOT).
10. A tree has fallen in my yard?  
   • Homeowners are responsible for the removal of fallen trees and their  
      debris, including trees fallen from land owned by the Fairfax County Park  
      Authority (FCPA).
   • Call FCPA at (703) 324-8594 if a tree on their land is hanging over your property,  
      hasn’t yet fallen, but poses a danger to the property.
   • Call VDOT at 1-800-FOR-ROAD for fallen trees and debris in public roadways.
11. I want to check when my street will be snowplowed?  
   • Visit VDOT’s online status tracking to see current snow plow activity:  
   • Refer to how VDOT prioritizes subdivision clean up and view other relevant  
     information here: .
12. Ask for a special trash pickup collection [for bulk items]?  
   • Republic Services (formerly AAA Trash): Call (703) 818-8222/fill out a form at  
     http://www.republicservices.com/residents/bulk-waste (Service fees apply).
   • American Disposal Services: Call (866) 884-8700/fill out a form at https://www.
     americandisposal.com/customer-support/request-a-pickup [Service fees apply].
   • Bates Truck Trash Removal: Call 301-773-2069.
   • NSCA also coordinates an annual bulk collection day [Clean Up Day] each May/
RECAP OF OCTOBER MEETING
The October meeting addressed neighborhood safety with a particular emphasis on updates to the recent string of break-ins and how to prevent being a victim of one. Some takeaways from the meeting include:

• Lock your doors and windows.

• North Springfield still has a very low crime rate relatively speaking.

• Invest in some kind of home security whether it be motion lights, a security alarm system, cameras, etc.

• There has been a lot of evidence collected at the various crime scenes, but there is a backlog processing it in the lab.

• Neighborhood Watch is a great way for residents to take stock in their neighborhood’s safety.

FACEBOOK LIVE/MEMBERSHIP by Ken Balbuena
NSCA took a larger step into the digital world at the October general membership meeting. For the first time ever, the meeting was live streamed over the internet via Facebook Live. Since the topic was about neighborhood security, the NSCA Board thought it would be beneficial to make the meeting as accessible to residents as possible. Rather than relying on you to come to the NSCA meeting to get information, we brought NSCA to you. To share some statistics on how the meeting performed, there were:

• 45 synchronous live views at peak (the highest number of people watching at the same time)

• 518 total views in a 24-hour period

• 143 Interactions (54 Reactions, 89 comments) in a 24-hour period

At least one resident started watching online before coming to the meeting in person, and another from the Facebook audience asked the detective a question.

While this approach is very much 21st century, it will not and should not replace the dynamics of in-person attendance and the importance of being a dues-paying member. NSCA cannot do the work of the community without financial support from our residents.

The NSCA board has been extremely careful about the delicate decision to raise dues. The very affordable $15/year dues have not increased in more than 16 years (the last raise was October 2000 when it went from $10 to $15). If dues had increased at the rate of inflation, they would be $21 today.

That being said, it has been my focus not to raise dues but to grow our membership base, donations, and corporate sponsorships (including ad sales in our newsletters) to avoid over “taxing” our longtime loyal members. Our efforts, coupled with fiscal prudence in our expenditures, have resulted in small surpluses that have allowed us to reinvest in our Neighborhood Watch, increase social activities like National Night Out, and provide other programs relevant to our community.

Since I was elected NSCA president in 2014, the Board has been able to lower the allocation of our two largest expenses, beautification and newsletter printing, from 93% to 84% of our overall expenditures in order to do more to give back to the community. We do, however, anticipate an increase in our beautification expenses. Your dues and contributions will certainly help us to keep our budgets balanced not only financially but in terms of how we prioritize our expenditures.

Personally, I would love to do more for people like buying flags for our veterans to thank them on Veterans Day rather than for things like planting flowers, and with your support, we can do that. In fact, we can do both. Please consider paying dues and supporting NSCA by visiting mkt.com/nscivic.
NSCA’S ANNUAL TOY DRIVE
NSCA is hosting our annual holiday Toy Drive on Sunday, December 11th in North Springfield Elementary School’s parking lot (permission pending). We’ll be collecting new, unwrapped toys for children of all ages. Please consider picking up a small item when you are out and about. Gift cards will also be accepted. All donations benefit Firefighters and Friends to the Rescue, who coordinates with Fairfax County Public Schools to assist children of local, needy families. Details are being finalized, so please be mindful of signs, emails, or social media posts announcing any changes. Firefighters usually come out with a truck or equipment that children are invited to explore.

VETERANS DAY AND THANKSGIVING by Ken Balbuena
November 11th is Veterans Day and about two weeks later is Thanksgiving. I have always been a very strong supporter of our military. My father proudly served 14 years on active duty with the US Navy and eventually obtained his citizenship because of his military service. I grew up in a Navy town and was myself a Navy civilian employee early in my professional career. I appreciate the sacrifice our men and women in uniform have done to keep us free, and I encourage you all to thank a vet not only on Veterans Day but often.

On the flip side, while my father arrived in the United States in the 1960s, my wife’s family has been in the county since the 1600s. Although not descendants of Pilgrims, they were early European settlers in the New World, and like other early Americans, it was important to have a close family unit as a support structure since life was extremely difficult. As such, I hope all of you are able to spend time with your families during Thanksgiving, and I wish you all safe travels.

NOVEMBER 8TH: ELECTION DAY
November 8th is election day, and while Fairfax County holds elections every year, presidential elections always get the highest voter turnout. But did you know that in addition to voting for president, North Springfield voters will also be asked to cast a ballot for a US Congressional Representative (11th District), two amendments to the Virginia Constitution, a meals tax, and three different bonds. To find out what’s on the ballot and where to vote, visit: http://elections.virginia.gov/voter-outreach/whats-ballot.html.

Detailed information with explanations about the proposed items on the ballot can be found here: http://elections.virginia.gov/election-law/proposed-constitutional-amendment-2016/index.html. Please keep in mind that 1) Lines may be long, 2) Voters at North Springfield Elementary School (the vast majority of North Springfield residents) may need to access the building differently than in the past because of the school’s renovation, and 3) Your polling place (the minority of North Springfield residents) may be at St. Johns United Methodist Church on Backlick Road.

“The right of voting ... is the primary right by which other rights are protected.” – Thomas Paine, Dissertation on the First Principles of Government

FORMER NSES TEACHER TO BE HONORED
North Springfield Elementary School (NSES) will be honoring Tony Nocera, a previous Physical Education teacher at a local [school based/level] event. We are inviting past students and staff to join us in our celebration on December 13th at 6pm. Festivities will begin in the gym with a reception in the cafeteria to follow.
WINTER “HIATUS”

Although NSCA will officially be in recess from the conclusion of the November general membership meeting until the February meeting, there is still a lot of work NSCA will be doing. First and foremost, the Board will try to coordinate a holiday light judging competition like we have in years past (with the exception of last year) to help bring holiday cheer to North Springfield. Contact Tricia Barnes tbarnesva@cox.net for more information.

In addition, NSCA President Ken Balbuena will host a Facebook town hall meeting in January like he has done twice in the past with great turnout. We will also try to have an in-person town hall this term as well. Start getting your questions ready. Contact Ken for more information at kenbalbuenagmail.com.

WELCOME WAGON UPDATE

We were fortunate to have Emma Trollerud volunteer to lead our Welcome Wagon efforts as part of our Membership Committee. She and Tricia Barnes, who chairs the Membership Committee, have met and are developing strategies to welcome new neighbors and help them get settled in. Please email Tricia (tbarnesva@cox.net) and Emma (emmastrollerud@aol.com) if you know of any new neighbors who should be greeted and/or if you would like to assist with Welcome Wagon efforts.

TEENS JOB LIST

If you are a parent of a teenager who would like to be added to our Teens Job list, please contact webmaster@civic.org. This list allows residents to employ the youth of our neighborhood to assist with babysitting, snow removal, mowing, house/pet sitting, and yard work. Please indicate which services your teen is interested in performing.

PROPOSED BYLAWS REVISIONS
(Reprinted from last month)

There will be three proposed revisions to the current bylaws that will be discussed at NSCA’s general membership meeting on October 5th. They will lay on the table and be voted upon at November’s meeting.

1. REVISION: Article II, Section 5 calls for the hard copy record retention of bank statements for a 7-year period and for electronic file storage to be an acceptable form of record keeping.

   JUSTIFICATION: NSCA still holds on to bank statements from the 1980s. There have been several audits since then, and there is no longer just cause to keep these records. Additionally, electronic file storage for NSCA Secretarial records was approved by membership during the 2015 bylaw revisions. This proposed revision calls for a similar approval for NSCA Treasurer’s records.

2. REVISION: Article III, Section 3 calls for the Nominating Committee to be formed a month earlier than the current bylaws (from April to March).

   JUSTIFICATION: This revision provides the Nominating Committee additional time to identify qualified candidates for vacant officer positions (i.e. President, Vice President, Secretary, & Treasurer).

3. REVISION: Article III, Section 5 clarifies that the July 1st transfer of records correlates with the beginning of the fiscal year.

   JUSTIFICATION: This adds additional clarification to an identical reference in Article V, Section 1. This question arose during the financial audit for the 2015-16 term and during the transition from the outgoing to the incoming NSCA Treasurer.

The currently approved NSCA bylaws can be found here: http://nscivic.org/NewBylaws.pdf.
NSCA VOLUNTEER OPPORTUNITIES: WHAT ARE THEY AND WHAT DO THEY DO?
The following volunteer opportunities have been previously posted but never really announced. Below is a quick breakdown of each position. Please email Ken Balbuena at kenbalbuenagmail.com if you are interested in any of these positions.

Delegate to the Fairfax Federation: This is an NSCA Board position that represents NSCA at the meetings of the Fairfax Federation of Citizens Associations. The Federation consists of members from civic associations from across Fairfax County with the intent of advising the Fairfax County Board of Supervisors and other elected officials on matters pertaining to residential communities. The Federation meets monthly [http://www.fairfaxfederation.org/calendar.htm], and the person in this position would be expected to attend Federation meetings, NSCA Board meetings (second-to-last Monday of the months preceding general membership meetings), and NSCA general membership meetings (First Wednesday of February, March, April, May, October and November). People interested in this position should be interested in local politics and should feel comfortable serving as a spokesperson and decision maker on behalf of NSCA at Federation meetings.

PTA Liaison: This is an NSCA Board position that helps to connect the NSES PTA and the civic association through a constant flow of communications, shared resources, and cross-promotion of events. The person in this position would be expected to attend NSCA Board meetings (second-to-last Monday of the months preceding general membership meetings), PTA Meetings (first Tuesday of the month during the school year), and NSCA general membership meetings (First Wednesday of February, March, April, May, October and November). Please note that at certain times of the year, the PTA and NSCA meetings fall on consecutive days. NSCA has allowed the position to be “split” between spouses with one spouse attending PTA meetings, the second spouse attending NSCA general membership meetings, and both attending NSCA Board meetings.

Graphic Designer: The position is not a board level position but is an integral part of NSCA’s communications strategy. The person in this position should have strong knowledge of Adobe InDesign (which is used to create the newsletter), must be comfortable with hard deadlines, and must be able to quickly produce layout

North Springfield Civic Association

November 2016
for the newsletter that is produced six times per year (October, November, and February - May).

**Flag Run Park Clean Up Project Manager:** This position is not a board level position, but it manages a long-term project. Flag Run Park is in unusable condition along Elgar Street between Ravensworth Road and Juliet Street. The person in this position will coordinate with Fairfax County Park Authority officials and the chair of NSCA’s Beautification committee to facilitate the County-regulated process, recruit volunteers (including through a partnership with the Fairfax County Invasive Management Area Volunteer Program detailed here: http://www.fairfaxcounty.gov/parks/resource-management/ima), and survey residents to gather input how to most appropriately use/develop the space. This cleanup project will last for at least a year.

Not interested in any of these positions but still want to serve your community? Check out a full list of standing & regular committees on the NSCA website [http://nscivic.org/aboutus/contact.htm] to see if there are any that can benefit from your talents.

---

**REPUBLIC SERVICES / AAA TRASH**

Several residents have expressed difficulties with securing the “North Springfield” rate with Republic Services that was negotiated several years ago. After a lot of back and forth, NSCA was able to lock in a new neighborhood rate of $78.50 and $69.50 per quarter for senior citizens and military service members. This covers trash twice per week and recycling & yard waste once per week. Current customers will receive something in the mail shortly explaining the new contract. NSCA is also checking our agreements with American Disposal.
NEWSLETTER ADVERTISING
NSCA sells advertising space to help defray newsletter printing costs. Recent advertising revenues have been declining so the NSCA Board did a complete review of our advertising program.

As a result, we introduced lower, more competitive pricing and added the option for color. We also offer incentives such as discounts for multi-month advance purchases, prominent advertising on the new website, currently under construction, and the option of hosting a table at our monthly meetings.

The response to these changes was fantastic and we want to thank all of our advertisers!

We hope you will help us thank our advertisers by supporting them with your business. Please be sure to let them know that you heard about them in the NSCA newsletter so they know their advertising dollars are well spent.

CULTURAL FESTIVAL
Last year’s postponed cultural festival has been rescheduled for the April 5, 2017 NSCA meeting. If you are interested in cooking food, doing a performance, or just showcasing a display that highlights your country of origin/heritage, please email Ivan Carrasco, NSCA’s Minority Outreach Chair, at cpj4u@yahoo.com.

NEW WEBSITE UPDATE
Work is slowly progressing on NSCA’s website redesign mentioned in the last newsletter. Let us know if you have any ideas for new sections or content by emailing kenbalbuenagmail.com.

495 UNDERPASS SOUNDWALL PANELS
Chicken Little may have thought the sky was falling, but pedestrians who walk along the 495 underpass on Heming Avenue know that pieces of the antiquated soundwall panels are falling. Currently, the panels are built in sections, and age is starting to show on all of them. Fortunately, NSCA has worked with VDOT to help get them repaired. At the time of this newsletter’s printing, VDOT communicated it has priced out and procured solid panels that will be installed soon. Please note the installation of the panels may have some impact on commutes, but the project should not last very long.
